

ACTING CHAIR REPORT

Hello everybody,

It seemed like some people were confused at the meeting. I'll try to explain. Because the RCM Team (Regional Conference Members) stepped down and the Vice Chair and Chair resigned from those positions, we as a body need to get someone to represent our voice at the Regional Meeting. If we didn't send someone we won't have been able to do any business there. So, thank you all for your pertinence.

With everything that been happening at the Area level the last 4 Months I have decided to put my resume in for the Chair position. I encourage the GSR's to bring that and all business back to their groups to disuse and bring back to the Area meeting. Also last year we had our Inventory and the main thing that came out of it was to "bring a friend". So, I encourage everyone to bring someone to the meeting. Thank you all for your service.

Always willing,

Shawn O.
