LAASC Chair Report, April 2017

Hello LAASC and groups. It was great to have a nice sized turn out of GSR's who ventured out to Fergus Falls for the ASC. The LAA is going through a transitional period at the moment with several positions up for nomination and several more are up for nominations in the next few months. We need everybody spreading the word that we need addicts to step up to ensure that this body remains successful. On that note, it is still awesome that the ASC and its subcommittees are working so hard to make sure their roles are being taken care of. We are all volunteers in NA service, so thank you for all that you do.

The goal that was made at the Area Inventory (to bring someone to ASC who hasn't been there before, and that we as a body discuss our progress with the goal plus tips and ways to get people to want to show up) brought some new peeps to NA service, and there was a great discussion about our progress. Please remember to keep thinking of new ways to attract new people into service, bring someone new and prepare to share your success with the body.

There was also an audit was held after the ASC and the Activities Committee and Literature Committee were prepared and everything checked out on their accounts. This upcoming month there will be an audit on the main account.

All in all things seem to be going very well in the LAA, at the last meeting there were topics discussed that could have been difficult to discuss but everyone was very respectful and it was an enjoyable time, there were a lot of laughs.

Sincerely,

Travis H.
