15-Dec-17 Literature Distribution Report

This past month has been a groove that seems to continue. The literature is in a safe and clean environment. We are looking for a vice chair. If you or an addict you know needs literature please let the committee know and we will make it happen.

The newsletter's current issue is out and making rounds. If your group wants free copies and has not received any please contact the committee.

In the future if you want to pick up literature at the area meeting please let me know maybe a couple of weeks before next asc and I will bring it to the next meeting.
