Literature Chair

Hello my friends and colleagues,
Life is good and so is recovery. I don't have much to report besides sales are a bit low. I would like to take this opportunity to encourage groups to make their literature orders through the committee rather than world, thus funding the lake agassiz newsletter and eventually making area donations once we get back to an operating budget. Thank you again for allowing me to serve. Also any questions or interest in the newsletter please email the newsletter executive editor Mariah B. at mariah.jeau10@gmail.com .

I Anthony O am submitting my resume for the position of Activities Chair.

Nominated by Maryn Y., Seconded by Mary A.

My clean date is 12/1/20 I've had a sponsor for about a year.

My home group is the After Dark group

I have a working knowledge of the 12 steps, traditions, and concepts.

I have a sponsor, but i do not currently sponsor

I currently hold the positions of GSR for my home group "NA after Dark", and treasurer of the Activities committee. I have never been removed from any position i have held.

My life experience i have that helps me are positions of leadership, money management skill, organizational skills, and the ability to adapt and take others advice and work with the groups conscious.

I have not been able to find guidelines for this position, and have plans to write and submit proposed guidelines as soon as possible.

I have worked closely with the current chair to better learn the position and to prepare myself to fulfill the position.

I have time and resources to fulfill this position

I want this position because Activities are so important to me and most importantly the new comer. Activities are what showed me what a life in recovery could be. I just want to help continue to provide this experience to the new comer.

Yes i have considered how this commitment will impact my other positions and personal life. I will be resigning from my GSR position and focusing exclusively on Activities
